ABOUT US

We are South Australia's professional writing organisation and have been around since 1985. Located in the heart of Adelaide, the SA Writers Centre is a not-for-profit organisation that aims to foster, develop and promote writers and writing. The Centre, which has over 1200 members (with a much wider reach), was the first of its kind in Australia and continues to act as a resource for people of all ages and experiences, assisting both new and established writers on every aspect of craft and publishing.

WHY ADVERTISE?

We have a targeted demographic that are interested and engaged in the information that we have to share with them. We are viewed as a professional arts organisation that has been around for thirty years and industry members look to us for advice, information and support.

Our fortnightly newsletter is emailed directly, not just to financial members but to the wider community and arts industry professionals and organisations. We run limited ad space, so your ad will be well placed with very limited competition.

ADVERTISING OPTIONS

Enewsletter

We currently have over 4000 subscribers to our electronic newsletter (as at September 2015) and this increases significantly each week. More than 15% of our subscribers forward the enews to a friend.

Additionally, each edition of the enewsletter gets promoted via Twitter and Facebook which both possess impressive numbers:

Twitter: 6200 followers

Facebook: 4000 'likes'

With a successful open rate which is proudly double the industry average and our click rate is often three times that of the industry average (for the arts/artists).
